Mr. Wilfred H. Rommel
Assistant Director for
Legislative Reference
Office of Management and Budget
Washington, D. C. 20503

Dear Mr. Rommel:

This is to report on the legislative program of the Central Intelligence Agency for the First Session of the 92nd Congress in accordance with the requirements of Circular A-19.

This Agency does not have a legislative proposal for inclusion in the President's legislative program.

The Agency's legislative program for the last three Congresses has dealt primarily with amendments to the CIA Retirement Act of 1964 for Certain Employees. A proposed draft bill amending the CIA Retirement Act is before the Office of Management and Budget for advice on transmittal to the 91st Congress. Aside from that draft bill, the Agency has no legislative proposals to make at this time.

Sincerely,

[Redacted]
Legislative Counsel
